## Canadian Tire Store #10

Brampton, ON

"Nexstar completed our retrofit project in April 2007. I was very impressed with the professional services their team provided, from requesting tenders to assisting with the local hydro rebate incentives. They are a first-class organization and I am extremely satisfied with the financial savings we are currently enjoying. I would be happy to share my information with dealers who are interested in this energy saving initiative".

Larry McFadden, Associate Dealer,

**Over \$60,000 in annual energy savings!**

## Canadian Tire Store #69

Newmarket, ON

"Greg, I found your team very pleasant to deal with. You were well priced when compared to the competitors and your installation was flawless. I would not hesitate to recommend your company".

Wayne Ford, Newmarket

**Over \$74,000 in annual energy savings!**

## Canadian Tire Store # 159

Georgetown, ON

"Greg, the President of Halton Hills Hydro handed us our rebate cheque of over \$10K and the local paper did a huge story on the retrofit and the savings we have realized. I made it very clear to Linda Bowman and Halton Hills Hydro how smooth our project was and how professionally run our installation was".

Tracey Craig, Georgetown

**Over \$55,000 in annual energy savings!**

## Canadian Tire Store # 237

Woodbridge, ON

"To do a 78,000 sq. ft. retail and 20,000 sq. ft. Service Centre in 8 days with no mess or interruption to our business has to be excellent in execution. Thanks".

Leo Seydel, Woodbridge

**Over \$65,000 in annual energy savings!**

**Totaling over \$1,421,000  
in annual energy savings!**
